# THE UNSTOPPABLE STEVE-MART

by Chris and Ryan Wilkins

*(The scene opens on a group of people around a table in an office conference room.)*

Carl: I'm sure you're all wondering why I called this emergency meeting. Well, corporate is pissed. Johnny-Mart is on the fast lane to bankruptcy town! And we're all sitting shotgun! Our sales are down eight hundred percent. All because of that no good Steve-Mart.

Ernest: At least they haven't gone down to zero percent. 'Cause then we'd have nothing.

Carl: Ernest, how did you even get a job here?

Ernest: I'm bad at percentages. I like fractions.

Carl: Well corporate is serving all of us hell in a hand basket.

Maggie: I think the saying is going to hell in a hand basket...

Carl: No. They gave us all our pink slips in this nifty little whicker basket. Literally hell. In a hand basket.

Lawrence: Back in my days, they didn't fire ya with any pink slips. They just threw ya out in the street and spit in on your shoes.

Carl: We don't live in your days anymore Lawrence. We live in the here and now. And you don't get your pension if we go out of business.

Lawrence: Well we better keep this business afloat. Or I swear I'll haunt you when I die!

Carl: You mean next week?

Maggie: Guys, quit fighting. I mean, all we have to do is out-sell Steve-Mart.

Carl: Keen observation, Maggie.

Ernest: But she's right! We just have to out-sell Steve-Mart!

Lawrence: Yeah. And my arthritis is just gonna up and disappear too!

Carl: If any of you has a plan to increase our sales by eight hundred and one percent I'm all ears.

Ernest: How about we lower the prices?

Lawrence: Then we would lose money.

Ernest: Oh! Then let's raise prices!

Lawrence: Then nobody would buy from us.

Ernest: Then how about we keep our prices the same!

Carl: Any one but Ernest have ideas?

Maggie: Well. Maybe since none of us know what to do, we could just like hire a marketing advisor to help us?

Carl: Yes! Don't you worry. I'll take care of this.

*(Transition: a day has now past and everyone is back in the office conference room.)*

Carl: Alright guys. I know you're all worried about the pink slips.

Lawrence: And my pension.

Maggie: And losing my job!

Ernest: I am worried about the goblins.

Carl: Thank you for sharing Ernest. Please refrain from doing so ever again. Well! I would like to introduce to you! The savior of our sweet company! Ralph!

Ralph: I see you's got a problem with Steve-Mart. How about I do a little bang bang pow pow bibs and bobs your uncle guess what? Steve-Mart accidentally caught on fire!

## **SUMMARY:**

Johnny-Mart's sales are down 800%, and it's all due to that blasted Steve-Mart. Carl and his coworkers haven't given up though! They start to hatch plan after plan to try and ruin their competitor's business. An overpriced mobster, anthrax, and a few packrats later, it becomes clear that Steve-Mart may very well be unstoppable. But as the old saying goes, "If you can't beat 'em... join 'em."
